

Questions & Answers
Tree trimming and removal of dead trees at
The West end of the Embassy Landing Zone for the U. S Embassy Baghdad,
Iraq
S-IZ100-12-Q-0002

Question 1: Is there any translation of the solicitation available?

Answer: There is no translation of the solicitation document. All U.S. Embassy contracts are written in English.

Question 2: Could you provide information on how to access the area where the trees are located?

Answer: There is no site visit for this project. The trees are located near the landing zone and access to this area will be provided to the winning bidder.
